#### WH2400 Data Link Whip with SMA Male Connector

**Frequency**  
2.4 GHz

**Bandwidth**  
n/a

WH2400 is a small whip just 54 mm tall designed for internal use on data link devices operating at 2.4 GHz.

The antenna fits on to the data device using the SMA Male connector inside the base.

SPECIFICATIONS	WH2400
Construction	Brass and Black UV resistant PVC
Frequency	2.4 GHz
VSWR	< 1.5:1
Tuning	Factory
Gain	2.1 dBi
Polarisation	Vertical
Maximum Power	5 Watts
Impedance (Nom)	50 Ohms
Connector	SMA Male inside base
Height	54 mm
Weight	9 grams
